Why should I take IOLS?

For Scouts BSA and Venture Leaders. Working as patrols, this hands-on course provides adult leaders the practical outdoor skills they need to lead Scouts in the out-of-doors. Upon completion, leaders should feel comfortable teaching Scouts the basic skills required to obtain the First Class rank.

Along with Scoutmaster Specifics this course is required of all direct contact leaders registered in Scout Troops in order to be considered "trained". This course builds and expands on the concepts and themes introduced in Scoutmaster Position-Specific Training, and provides Scouters with the confidence to take youth into the outdoors.

What will I learn?

Instructors will help you learn how to set up camp, cook, work with wood tools, rope skills, plan campfire programs, map reading and compass skills, hiking and packing techniques, nature identification, and outdoor ethics. Each outdoor session will bring to life the pages of the Boy Scout Handbook to help you deliver the promise of Scouting to yourself and the youth you serve. It will increase your comfort level and give you confidence as a trained, skilled leader. The program will also give you the opportunity to work with other Scout leaders from your area, meet new friends, and reinforce skill techniques with fellow unit leaders.
