

Orienteering Scoring Guidelines

Material to be provided by District:

Extra Compasses

Clipboard

Pencil

Stopwatch

Event score sheet

Line course materials

The event will be set on a Line Course. No electronics (GPS, Phones, Calculators, Electronic Compass, etc.) allowed on the field. Each patrol member must have their own standard compass. Scouts may only use their standard compass and materials given to them by the staff. No pacing work will be allowed on the line the day of competition. Ideally, patrol members should know their pacing prior to the Camporee. Patrols must solve 8 orienteering problems. Each Scout in the patrol must solve at least one problem. Patrols with less than 8 members may have members chosen at random by the event staff prior to competition to do an additional problem.

20 points will be awarded for participation

5 points will be awarded for each correctly solved problem.

Total time to complete all 8 orienteering problems will be used to break ties.

Total points possible: 60 points
